

Hilton Sandestin Beach Golf Resort & Spa

Magnificent Island-Style Meetings

Meetings Mileage

A hot spot for meetings and social functions, Hilton Sandestin Beach masterfully accommodates groups from 10 to more than 2,000. With a combination of luxury resort amenities, deluxe accommodations, award-winning meeting facilities, fabulous beachfront setting and professional staff, Hilton Sandestin Beach offers everything needed for an unforgettable meeting – all underneath one roof.

Stellar Setting

Situated along the sugary white sands of Florida's Northwest Gulf Coast in South Walton, Florida, Hilton Sandestin Beach provides an environment that can be perfectly peaceful for learning, or simply stimulating for team building, brainstorming and creativity.

Meeting Space

Meeting planners and attendees will appreciate the resort's 40,000 square feet of flexible indoor meeting space with a vibe inspired by the resort's beachfront setting. Natural stones and tiles, a casually sophisticated palette of indigos and sand dollar whites, modern lighting, and cheerful accents combine to create an air of relaxed Florida charm throughout the resort's three ballrooms, breakout space, intimate boardroom and pre-function areas. The property also boasts 20,000 square feet of outdoor event space and endless beachside opportunities.

Team Building

Hilton Sandestin Beach is known for its innovative and entertaining approach to teambuilding, showcasing its capability and creativity to meet special requests for any group, large or small. Making the most of the coastal location, groups can enjoy Hilton Quest scavenger hunts, NightSpiker glow-in-the-dark beach volleyball, beach cookouts and fireworks along the shore. Other

popular options include Castaway Beach Bowling, Crab Chases, Centipede Shuffle and Raft Races.

The full-service recreation staff specializes in coordinating unique, invigorating programs around coffee breaks and leisure time. All teambuilding activities include recreation staffing, experienced host and Master of Ceremonies, and recreation equipment for events.

Golf, tennis and fishing tournaments can also be customized for any group's needs.

Service Team Approach

The tremendous group market success enjoyed by Hilton Sandestin Beach is due in large part to the individualized attention given to meeting planners and attendees through separate sales, event planning, group reservations and convention services departments. Together, these departments expertly coordinate every detail, from arrival to departure, including all functions, activities and events. With more than 100 years of combined experience, Hilton Sandestin Beach's professional sales, event and conference managers are dedicated to ensuring each group gathering is a memorable one.

Business Services

Hilton Sandestin Beach offers a Connectivity Center with six desktop computers and a printer on the lobby level of the Emerald tower. High-speed wireless Internet is available in guest rooms, meeting rooms, the lobby and in other public areas. An in-house audio/visual service company and convention service managers are on call 24/7.

Event Facilities

One of only eight resorts inducted into the *Meetings & Conventions* magazine's "Gold Hall of Fame," Hilton Sandestin Beach offers more than 40,000 square feet of indoor meeting space, in addition to more than 20,000 square feet of outdoor function space.
