Hilton Sandestin Beach Golf Resort & Spa Makes The Elite List Of *ConventionSouth's* 2013 Editor's Hot Picks Of Best Boardrooms In the South

GULF SHORES, Ala.—*ConventionSouth*, the national multimedia resource for planning events that are held within the South, has selected Hilton Sandestin Beach Golf Resort & Spa for their 2013 Editor's Hot Picks of the Best Boardrooms in the South. After an in-depth review of boardrooms located within hotels and meeting facilities across the South, the editors of *ConventionSouth* have deemed Hilton Sandestin Beach Golf Resort & Spa to have one of the best for groups gathering at the facility.

"It is with great honor to recognize Hilton Sandestin Beach Golf Resort & Spa for its stunning boardroom with top-notch amenities that are highly sought after by meeting planners and their VIP attendees who will be gathering within the boardroom," said *ConventionSouth* Associate Publisher Marlane Bundock.

Hilton Sandestin Beach Golf Resort & Spa and its boardroom will be featured on www.ConventionSouth.com as part of the April 2013 Issue of *ConventionSouth* magazine. "The April Issue of *ConventionSouth* is focused on Corporate Meetings, so this is a perfect platform to showcase our Editor's Hot Picks for Best Boardrooms as corporate meeting planners especially seek executive boardrooms for their meetings and conventions." A selection of the boardrooms will also be mentioned within the printed edition of *ConventionSouth's* April Issue.

In February 2013, *ConventionSouth* put out the call for nominations for hotel and meeting facility boardrooms across the South. On March 15, editors reviewed the dozens of nominated boardrooms and judged each of them based on several factors, including:

- aesthetics, decor, lighting and views,
- presentation and conferencing technology, audio/visual and Internet capabilities,
- food and beverage capabilities,
- ergonomics and comfort, and
- privacy and security.

Based on the criteria noted above, it is clear that Hilton Sandestin Beach Golf Resort & Spa is able to meet the demands of today's meeting planners and groups who seek top-notch executive boardrooms for their meetings, Bundock added.

Celebrating 30 years as a leading meeting planning resource, *ConventionSouth* magazine is based in Gulf Shores, Ala., and is circulated to more than 18,000 meeting professionals located across the country who book meetings held within the South, according to Bundock.
