## **New General Manager Joins Seagar's Prime Steaks and Seafood at Hilton Sandestin Beach Golf Resort & Spa**

DESTIN, Fla. (Feb. xx, 2015) – Seagar's Prime Steaks and Seafood, Hilton Sandestin Beach Golf Resort & Spa's AAA Four-Diamond steakhouse, has announced the appointment of **Paul Hawkins** as the restaurant's new general manager.

"Seagar's has set the standard for fine dining on the Northwest Florida Gulf Coast for more than 15 years, and we believe Paul has the ability to raise the bar even higher for our service and culinary offerings," said Gary Brielmayer, Hilton Sandestin Beach Golf Resort & Spa general manager.

With 25 years of experience in the restaurant industry, Hawkins came to Seagar's after 13 years working his way through the Capital Grille franchise in Charlotte, North Carolina, Tampa, Florida, Milwaukee, Wisconsin and Jacksonville, Florida, where he worked as manager and eventually became managing partner.

During his time with Capital Grille, Hawkins successfully opened two restaurants, consistently kept the turnover rate significantly lower than industry average and effectively led and motivated employees through implementation of in-house training and incentive plans, resulting in increased productivity and employee satisfaction.
